Policing Discussed by Coleman Council

William J. Spears Passes March 11 At Fort Macleod

(Pincher Creek Echo)

William John Spears passed away in Fort Macleod on Friday, March 11, 1966, aged 86 years.

A very colorful figure, Mr. Spears, better known to many in Coleman as "Barb Wire Johnny", was born in County Bruce, Ont.

He came to the south Alberta area in 1889 with his parents, settling in the Beaver Creek district west of Granum and carried on farming operations in the Porcupine Hills, where he owned his own farm. He came west to Lethbridge, travelling by train and boat and to the Porcupine Hills by horse and democrat.

In 1940 he became restless and proceeded west into the Gap district where he set up a small home on a creek that is now named after him. He operated a trap line on the Livingstone River during the winter months and then looked after his farm in the summer.

Prior to going to Fort Macleod he had been a resident of Crest View Lodge in Pincher Creek for a couple of years.

Surviving are four sons, Alex of Vancouver, John Macdonnell of Victoria, Dennis of Calgary, and James of Victoria; three sisters, Mrs. Isabelle May Chappel of Granum, Mrs. Violet Dennis of Santa Anna, Calif., and Mrs. Myrtle Woodford of Seattle, Wash.; a brother Bert of Spirit River; four grandchildren and three great-grandchildren.

Funeral service was held in the Pincher Creek United Church at 3:30 p.m. Tuesday, March 15th, with Rev. L. Edwards officiating. Interment followed in the Fairview cemetery.

Crowsnest Pass Old Timer Passed Away

Mrs. Zella Decoux passed away suddenly in the C.N.P. Municipal hospital on Sunday March 20 at age 94 years, she loved mother of Madeline, Denise, Arthur and Vern.

Mrs. Decoux was born in Bruay, Valenciennes, France on April 7, 1872 and came to Canada Aug. 1909 settling in Frank where the family lived for a few years before coming to Blairmore. Mrs. Decoux was a strong supporter of sports in the Crowsnest Pass and known to have attended all hockey and baseball games in the district for many years. During War two she was a member of the Free French group and did much work in support of this organization. She was an ardent card player and up until about two years ago attended many Pass card parties. She is of the Catholic Faith.

She was predeceased by her husband Arthur Charles Decoux in Blairmore on Feb. 24, 1936.

Besides her two sons Vern and Arthur of Blairmore she is survived by two daughters, Mrs. Denise Garrick of Lethbridge and Mrs. Madeline Semenzan of Blairmore.

Prayers will be said in the Blairmore Chapel of Hall's Funeral Service Limited at 8 p.m. Wednesday March 23.

Requiem High Mass will be celebrated from St. Ann's Catholic Church in Blairmore at 10 a.m. on Thursday, Mar. 24, with Rev. P.A. Teasler officiating. Interment will follow in the family plot in St. Ann's Catholic Cemetery. Hall's Funeral Services Ltd. directors.

To meet the demands of Canadian hospitals, the Red Cross must collect more than 915,000 units of blood in 1966.

LET'S READ

March 27th to April 2nd has been declared "National Library Week." One of the aims of the Community Library is to obtain an increase in membership. It is felt that more adult members should read and take a more active part in the library. We have had a very successful year in 1965 and are looking forward to an even better one this year, but this can only be achieved by more adults becoming members.

The library board would also like to extend an invitation to all school grades who would like to visit the library and discuss its make-up. Arrangements can be made by contacting Mrs. Upton or Mrs. Misra. However, anyone is welcome to visit the library on Thursdays and pursue our variety of books.

A number of new books have arrived and taken their place on the shelves. Some of them will be displayed in stores during library week.

Teenagers and young people don't feel left out as there are a number of new books on the shelves for you to read.

Let's do our part in observing "Library Week" by relaxing and reading a good book.

Library hours - Thursdays 3:30 to 8:00 p.m.

Hold Successful Whist Drive

The Ladies of Victoria Rebekah Lodge held a successful whist drive in the I.O.O.F. hall on Saturday evening, March 19, with 10 tables in play.

Honors went to: Ladies first Mrs. E. White, second Mrs. J. Mills, Blairmore and consolation to Mrs. J. Owen. Gent's first Mr. R. Buyden, second Mrs. E. Ledieu, playing gent's card and consolation to Mrs. Gleaves, Blairmore.

After the cards the ladies served a lovely lunch bringing a pleasant evening to a close.

Nurses Elect Officers

Mrs. Verna Nystrom of Blairmore was elected president to head the Crowsnest Pass Chapter of the AARN at the group's March meeting.

Other officers elected to head the nurses are vice-president, Mrs. Ann Murdoch, secretary, Mrs. Nettie Kinnear and treasurer, Mrs. Margaret Krywolt all of Coleman.

The Association agreed to sponsor a \$50 scholarship which is to be awarded to a high school graduate who has a diploma standing that meets with the scholarship requirements. The award is open to any Pass student in grade 12 who is considering entering the field of nursing this year. Application forms are available at any of the high school offices.

Hunter Training April 14 - 16

Plans are progressing favorably to hold a Hunter Training Program in the Coleman Legion hall from April 14 to 16.

Arrangements are presently being made for Cadets, Junior Forest Wardens and adult classes to be held.

Instructors from Edmonton will be instructing the classes. The Fish and Game Association is urging its members to take advantage of this wonderful opportunity.

Library Report Presented By Councillor M. Cornett

Councillor Mel Cornett, chairman of the Coleman Public Library committee, reported to council at its meeting March 8th that the institution had again enjoyed a successful year.

The report indicated that there were 194 members of which 145 were juniors, 21 high school students, 26 seniors and two pensioners. He said that during the year 76 adult books had been purchased and also 213 junior and teenage books. A total of 376 books were loaned out during the year.

The library owns 3206 books, which are on the shelves, and during the year 13 were discarded or lost and 54 had been repaired.

Mr. Cornett informed council the library valued its books at \$8,000 and its shelves and fixtures at \$1500, and on behalf of the Library Board asked if the town would consider including these assets in the town's blanket insurance policy. This was done.

Thanking Mr. Cornett for the annual report, Mayor John Holyk commended the Library Board for the good work and service they are providing for Coleman.

C. W. L. Honor Mrs. Aschacher

Mrs. Eda M. Aschacher was honored at a farewell party held by the Catholic Women's League over the weekend.

Mrs. Aschacher was called upon by C. W. L. President Mrs. Lorraine Aiello and on behalf of the ladies, presented her with a set of coffee spoons for which Mrs. Aschacher expressed her appreciation and regrets at leaving the Pass. Mrs. Aschacher and son Kevin left Coleman to join Mr. Aschacher, who is now employed in Carmacks, Yukon Territories.

Whist and bingo were played during the evening with minstrel winners being Mrs. Phyllis Comin. Mrs. Pat Kovalik and Rev. W. Krewski.

Bingo winners were Mrs. B. Roberts, Mrs. Agnes Rypien and Mrs. Lorraine Aiello.

Prior to the party the monthly meeting was held when plans were completed by the C.W.L. to hold its annual spring tea and apron sale Saturday, April 23rd.

The meeting attendance prize was awarded to Mrs. Marie Kilgannon.

Colling Rink Tops Bopsiel

The Ron Colling rink took top place in the Coleman Ladies' Curling Club mixed 'spiel' with runner-up being the Terry Field rink. C. Cimolini of Natal worked his rink into third place and the De Paoli rink, also of Natal, took fourth in the three-day 32-rink competition.

Blairmore's Tony Vejprava rink registered first in the second event with the Ted Kryezka rink of Coleman, Fred Smith rink of Blairmore and Frank Mitchell rink of Michel, taking the other three prizes.

Third event winners in the three-day 'spiel' were Doug Oliver and his rink from Blairmore, the Ungaro quartet from Natal, B. C. the Volpatti rink of Natal and the Joe Wavrean rink of Coleman.

Fourth event winners were the L. Scheider rink of Calgary, the Rudy Yeliga rink of Coleman, the C. Houghhead rink of Coleman and the Ed Bakkin squad from Natal.

Drawmasters for the 'spiel' that featured over \$500 in prizes, were Rene Folkins, Delina Pow and Bill Fields.

Elks Lodge Hold Social

Over 51 per cent of the Granum Elks Lodge members visited the local Elks Lodge last week-end, when a social evening was held to mark the occasion.

Coleman is planning a travelling gavel night to visit a neighboring lodge and it is expected that over 50 per cent of the 200 membership will participate in the event.

First Aid Classes Being Held

St. John Ambulance Association First Aid classes are being conducted in the Crows Nest Pass for members of the No. 885 Crows Nest Pass Cadet Corps and Junior Forest Wardens.

Courses being taught will last for three weeks with two sessions per week being held, after which the trainees will take examinations to qualify for Junior and Senior certificates in first aid.

The classes are being held in Coleman, Blairmore and Bellevue, with Jim Kilgannon of Coleman, Alex Rae and Alec McKay of Blairmore, teaching in Coleman, Tom Gibos and Harold Chamberlain, instructing in Blairmore, and Mrs. L. McConnell of Bellevue, teaching the Bellevue groups.

Jehovah's Witnesses Attend Convention

Mr. Dale Gordon, presiding minister of the local congregation of Jehovah's Witnesses, recently returned from a three-day Watchtower sponsored convention held in the Taber Community centre in Taber. Mr. Gordon reported 666 delegates from 14 congregations in Southern Alberta were in attendance and one new minister was added to the ranks in a special ordination ceremony.

The symposium of talks were based on the assembly theme - "Making disciples of people of all nations" was of particular value to all in attendance, reported Mr. Gordon. "All persons at this assembly were warned of the terrific pressure and influence materialism has on all people today," said Mr. Gordon, "faith in God and the Bible are on the decline."

Mr. Gordon said that all in attendance were admonished to resist the godless materialistic influence in this 20th century and willingly submit to God's influence now. This can only be done by maintaining a program of daily Bible reading and to live according to scriptural principles day by day.

Following the concluding session, scores of volunteers dismantled the platform, stacked the chairs away and other equipment, swept the floor then left for their homes throughout Southern Alberta.

Coleman council, at its meeting March 9 discussed information regarding the policing of the town by the RMPolice. It was learned that approximate cost of a constable would be \$4600, and that a town the size of Coleman would require two constables.

Use of police cars would be charged at 9 cents per mile after the first 300 miles per year, which were provided in the service. Office costs would involve approximately \$180 and the town would be assessed guard costs and prisoner meals.

Coleman would be reimbursed a portion of fines received under different acts and codes. Towns with a population of under 1500 persons would be policed free and it was disclosed that the governments might consider subsidizing towns with over 1500 persons.

Following the discussions on this matter the town secretary, Glen Sweet, was requested to write to the Commanding Officer in Edmonton, and make application for a contract, which contract is to be subject to final agreement on the cost. The letter is to point out that making application for a contract is not to be binding.

The police report showed that for the months of January and February eight cases had been tried under the VIT Act; 14 under the Liquor Act; six under the Criminal Code; two under Child Welfare; 32 complaints had been checked and three liquor cases were still pending.

Council discussed location and construction of the water supply pump-house with Tom Miyayana, engineer of Underwood, McLeellan and Associates Ltd. It was disclosed that the job would cost in the vicinity of \$60,000, of which \$20,000 was for the building.

The secretary was instructed to write to East Kootenay Power Co. to request permission from this company which would allow Coleman Light and Water Company to supply its own power to the pump house which would be located in franchised E. K. Power territory. Coleman Collieries Ltd. will also be contacted regarding purchase of the land on which the town wish to build the pump-house.

Correspondence from L. C. Halmrast, Minister of Public Welfare, was received, advising that two Senior Citizens' homes were on the budget for construction this year, but location was not yet disclosed. Only two are being built this year due to the government planning a heavy program of build-

ing Welfare buildings.

The letter indicated it was hoped that more Senior Citizen homes would be on the agenda for next year. Numerous organizations and civic bodies all through the Crows Nest Pass have been urging the government to give consideration to the construction of a home here this year.

Reports of vandalism and wilful damage and causing disturbances in the town's recreation room at the arena building was brought to the attention of the council. Reports indicate this trouble is being caused by teenagers. Signs warning of prosecution are to be installed and offenders are to be severely dealt with.

By-law 353 was read, providing for a payment of \$10 per meeting to councillors with a maximum of 24 meetings per year. The by-law will also provide for \$15 per day for the mayor, plus any cash outlay he may have to make while out of town on town business. A maximum of 30 days per year was set for this expenditure.

A letter was read from Assistant General Chairman of the Transportation, Communication Employees' Union, asking the town to write to various government departments, requesting that the CPR return to its former service which ensured adequate service to its users. The letter requested that correspondence be sent out from the town include mention of any poor service that is noted in town. The town is checking the matter.

Council nodded approval to the town making application to borrow the sum of \$14,000 for sewerage extensions.

Bus stop signs are to be ordered and erected in specified locations in town.

Council has arranged a meeting with the Old Man River Regional Planning Commission to be held on March 21st and another meeting to be held in the Central school auditorium on March 29th with the local businessmen.

Both meetings are to deal with the town's general plan and possible relocation of the town's business section. Mayor Holyk has urged all businessmen to get copies of the general plan at the town office and to attend this meeting.

Alberta's 1966 EASTER SEAL CAMPAIGN was officially launched on March 10th, at a colorful ceremony when Brenda Bleson, Alberta's "Tammy" for the 1966 Easter Seal drive and her two sisters Mary and Cheryl, posed with postmen for an inside glimpse into a busy post office.

Brenda, her twin sister Mary and younger sister Cheryl were assured by representatives of the postal force that four hundred and fifty

thousand Easter Seal appeal letters would be delivered this week to every householder in the province. Supervising the operation is letter carrier John B. Colville of Edmonton. These letters contain the return Pink Envelope in which the citizens of Alberta may mail their contributions. The provincial total of \$175,000 is the target for the public portion of the Alberta campaign. Upon the success of this response depends the continuation

of many and varied Easter Seal services which help children like Brenda enjoy a healthier, happier life.

Every year hundreds of volunteer Easter Seal workers from Yellowknife to U.S. border stuff and mail out the almost half a million household letters; and every year the postal services throughout the province deliver these to cities, towns, villages and rural areas.

Family Service Bureau Board Of Directors

Family Service Bureau of Crows Nest Pass and Pincher Creek — Roy L. McKenzie was born in Beaver Mines in 1920. He was raised in Waterton Park and went overseas in 1940. He returned in 1945. He was married overseas and now has three children. He served in Canada Customs from 1947 to 1960 when he moved to Pincher Creek where he now works in the government liquor store.

His reason for being a member of the Bureau Board—quite simply, he believes the country is in vital need of a service such as we offer and I am quite pleased to donate my time in order to further our contribution to the welfare of this community."

Father W. J. Krewski is treasurer of the board, and chairman of the Finance committee.

He came to Coleman just over a year ago from Oyen, by way of Claresholm, Brooks, Calgary, Cowley and Tilley.

His reasons for giving his time, talent and energy to the work of the Family Service Bureau are: "My line of work is people. There have been many times when I would have liked to help someone in a certain situation, but I did not have the proper facilities available to me (e.g., psychiatry). This service is now available through the Family Service Bureau and I feel it is a good service."

Lions Announce Bingo Winners

Sylvio Castellano was the lucky winner of the \$100 cash jackpot prize at the Lions bingo night.

Winners of \$12 prizes were Mitzi Moore, Eleanor Chabillon, Marcel Lemiar, Joe Semenzon.

\$6 winners, Mrs. Parry and Eleanor Chabillon.
\$5 each to Mike Amadio, Helen Latka, Helen Langdon and Mrs. B. Crippen.

Winners of turkeys were Mrs. Garner, Edna Campbell, Mrs. Berousco, Bert Bond, Edna Campbell and Al Carlson.

The next bingo night will be on March 30th when besides the five \$10 and five \$12 prizes and the \$100 cash jackpot to go, the Lions are offering two extra cash game bingos and another for a surprise prize.

February Employment Good

The manager of the National Employment Service in Blairmore announced the employment picture during the month of February was good and the general outlook has remained very encouraging.

Mr. Robertson advised that the month end statistics indicated that there were 260 unemployed male workers.

However, discounting workers on temporary layoff due to adverse weather or other unwelcome conditions and approximately 8 applicants in the 60 to 70 age bracket who are seeking work of a light nature, there remained only 45 male applicants seeking employment. This number also includes some who desire employment not common to our area.

Operating coal mines in the area are all continuing on a full time basis and are continually seeking suitable experienced workers to meet the increasing demand for coal. Unfortunately, there are no experienced mine workers available.

The lumbering industry lost some time during the month due to heavy snow falls which prevented workers from reaching their work in the bush. Recent plans for the expansion of this industry in the Fernie district of the Blairmore area has been most welcome news. It is expected an acute shortage of workers will be evident in the Fernie district this summer.

The N.E.S. officer stated the demand for female workers is improving although there are a number of experienced female workers available for part or full time employment.

Mr. Robertson stressed the addition of new industry to the area and the creation of new employment opportunities through industrial expansion is most welcome and urges all persons interested to support their local N.E.S. office, their Industrial Development com-

mittee and others seeking to establish an area in which unemployment does not exist.

Information Is Insufficient For Licence Plates

One out of every four postal applications for 1966 motor vehicle licences received so far by the Motor Vehicles Branch of the Department of Highways, does not contain sufficient information for the plates to be issued.

Mr. C. J. Kenway, Registrar of Motor Vehicles estimates that over the peak months of March and April, at least 30,000 incomplete applications will be received if the present trend continues.

This in turn must involve the exchange of at least 60,000 pieces of mail in five weeks if all vehicle owners are to be in possession of their plates by May 1.

Of the five blank spaces on the application form that require information, provided the owner has not changed his house or vehicle, three of them can be filled in by staff of the department from previous records and date of receipt. This is in fact being done, but the staff are unable to provide the information on insurance coverage or the signature. Unless these are present, licence plates cannot be issued.

Albertans are urged to check that the application form they receive is for their present vehicle and then complete the insurance coverage, basic color, phone number, date and signature blanks. The Motor Vehicles Branch staff are co-operating fully to provide the missing information where they can, but, for want of a tickler, seems there is the possibility of motorists facing the choice between alternate transport or law infringement on May 1.

March 14, 1966.

Dear Mr. Holstead:

Please find enclosed the money order for The Journal again. The year seems to roll on, but I miss the news so we like to have it.

We more or less call it the family paper, because I let the kids have it to read and keep them informed of the news and happenings at Coleman.

We had Mr. Kennedy in the Belcher Hospital. He had a heart attack. Took it at work, but thankfull we have him home. So will be off work for a while. He is mending slowly. Give our best wishes to all Colemanites and to you and Mrs. Holstead.

Thanking you,
Mrs. E. R. Kennedy.

How do you deal with stress and tension? There are harmful ways of handling stress, and there are constructive ways, which could make life much more worth living.
